

Fishing Families United!!!

Convoy Against Closures

Strap on your fishing rods and hook up your trailer boat

THE QUEENSLAND PROFESSIONAL, CHARTER AND RECREATIONAL FISHING INDUSTRIES ARE UNDER THREAT!!!

Just in the Fraser Coast area over 13,000km² of our ocean could be declared no-go zones! If the Federal Government passes this proposal will that then initiate a reassessment of the Great Sandy Strait Marine Park by the Queensland State Government? What about beach Fishing? We need YOUR HELP to save all our rights to continue the lifestyle that everyone enjoys in the South East Queensland.

Show the Government that we will FIGHT to stop this unjustified proposal and protect the lifestyle, communities and businesses of this pristine area.

It's an election year and we need to remind the federal government that

“we fish and we vote”

Make sure that they get a clear message that you want your kids to be able to **fish in our region** and you want your kids to be able to buy fresh **Australian seafood**
